NEWSLETTER – SPECIAL RAMADAN UPDATE

INCLUSIVITY, AUTHENTICITY, COMPASSION

Message from Yusuf Islam

Peace be upon you and the mercy and blessings of Allah. We've all been forced into a state of I'tikaf, and so has most of the world, non-Muslims included. These are strange times indeed, and there are things for us to ponder. So I wish you all the blessings of this holy month and to remember that the main purpose of this month of fasting is to increase our remembrance and closeness to Allah. In the Qur'an we read: 'Remember Me and I will remember you; be grateful to Me and don't deny Me.' This is the heart and the spiritual goal of our fasting and our abstinence in this month. But there is also an important accessory that we should remember connected to our prayers and our ibada, and this is to increase our knowledge and understanding through study and reading, something we have more time for now because of the lockdown. So, while we're confined in this time, for however many weeks or months, let the power of contemplation become the means to lift us up out and beyond the limits of this earthly imprisonment, and let our spirits fly. As-salamu alaykum wa-rahmatu'Llah!

THE MOSQUE GOES ONLINE

THE LOCKDOWN MEANS that the Mosque has been closed for prayer since the middle of March. After ten years of hard work to make the project for a new mosque in Cambridge a reality, the community has been saddened to see it close again temporarily. However our vibrant team of volunteers is keeping it at the living heart of Cambridge Muslim life. During the fasting month Imam Ali Tos recites a daily Juz' of the Holy Qur'an on Facebook Live, and Imam Sejad Mekic offers daily talks and reminders to our growing digital audience.
