

**CAMBRIDGE
CENTRAL MOSQUE**

**PRESS RELEASE
STATEMENT ON THE DEATH OF HM QUEEN ELIZABETH II**

9 September 2022

It is with sorrow that the mosque community learned of the death of HM Queen Elizabeth II, who has for so many years been an inspiration to so many at home and abroad.

We pray for Heaven to guide and support her successor, King Charles III, recalling with gratitude his many interventions on behalf of an improved understanding and appreciation of Islam. We also salute his commitment to the environment and to a due awareness of the sacredness of the natural world, a principle particularly important to us at Cambridge Central Mosque.

We offer our condolences to the family and the nation.
